WIDE
TIE
MIDDLE
(iii)

A diagram showing a narrow tie with a middle section. The tie is represented by two parallel lines that are wider at the ends and narrower in the middle. The middle section is shaded with a light gray color. The text "NARROW TIE MIDDLE (i)" is written vertically in the center of the tie.

NARROW
TIE
MIDDLE
(i)

A diagram showing a narrow lining middle section. The tie is represented by two parallel lines that are wider at the ends and narrower in the middle. The middle section is shaded with a light gray color. The text "NARROW LINING MIDDLE (i)" is written vertically in the center of the tie.
